Season's Greetings!

The winter holiday season is here and with it comes the promise of festivities and fun. People all over the world celebrate this season in diverse ways—from decorating evergreens, to hanging colourful lights around the home, to sipping hot chocolate and apple cider, to singing songs, to cooking and baking special treats—but no matter where we are, we are grateful for our families, friends, and colleagues who help make this time of year extra special.

Cultural diversity, understanding, and enriching the lives of people, are three of the qualities we believe in and uphold here at Summit College. In the spirit of fellowship and compassion, our campuses will be engaging in food and clothing drives to help those in need.

Please contact the campus of your choice to donate food, clothing, or toys, and help out a family today.

Wishing everyone a joyous, healthy, and peaceful holiday season and happy new year!

WINTER SOLSTICE PROMISE

*"Love awoke one winter's night
And wander'd through the snowbound land,
And calling to beasts and birds
Bid them his message understand.*

*And from the forest all wild things
That crept or flew obeyed love's call,
And learned from him the golden words
Of brotherhood for one and all."*
